Bunnings Fundraising BBQ

ALL PERPETUAL
TROPHIES MUST BE
RETURNED BY NEXT
WEEK – 25/03/2011

Parents – please supervise children at all times.

The smaller pools are **out of bounds** during swim club. Care must also be taken around the **plastic covers** in the shaded area. These plastic sheets are very expensive and swim club will not be held responsible for damage caused by inappropriate behaviour.

The council have informed Penrith Swim Club there will be a restructuring of fees as of the 1/7/2011. We will notify families of these changes once details become available. The council have also advised us that they will be working on improving the pool over the next few months. Some improvements discussed include improving the smaller pools, beautifying the entrance to the pool and renovating the concourse around the main pool.

Age Championship Night

- Age championship night is next Friday 25th March
- All swimmers must be at the pools no later than 6.45pm as races will begin at 7pm
- All swimmers must be ready in the marshalling area once their age group (their age of the 1st February) has been called. Swimmers that are not ready will miss their swim.
- To ensure the smooth running of the evening we will be creating a roster tonight of volunteers for timekeeping. Please see Leanne (in race box) by the end of races this evening to put your name down to help out on this very important evening.
- **GOOD LUCK TO ALL SWIMMERS!**

Bunnings Fundraising BBQ

- Families are needed for one hour shifts to help out on the 09/10/2011 at Mulgoa Road BUNNINGS. Please see Donna to register your family and help raise funds for our club.

Presentation Day

- 15th May 2011 - Sunday
- Venue to be finalised next week

Congratulations

**** To all swimmers who competed in district, regional and zone carnivals. Your hard work and dedication has paid off!****

Thank you to all families who have volunteered their time for our swim club of a Friday night!
